

YOUTH MANIFESTO

The youth in the To Vote, I Voice project propose the following input for the government of Aruba:

1

MENTAL HEALTH

- We will conduct studies and provide data on mental health in Aruba.
- We will optimize the referral process for individuals with mental health limitations.
- We will introduce support groups at schools
- We will provide mental health services through AZV.
- We will promote and make mental health a topic of continuous conversation.

2

ENVIRONMENT

- We will introduce new recycling methods.
- We will introduce more educational and self-sustainable projects/programs at schools.
- We will create and execute a standard strategic plan of safety to clean up the toxic waste.

3

EDUCATION

- We will conduct studies on educational systems in Aruba.
- We will start introducing internship opportunities in MAVO/HAVO schools.
- We will create a plan of action to teach self-expression in schools.

4

LABOR

- We will introduce young people to the Aruban labor market.
- We will introduce 'bring your teen to work day' in companies.
- We will teach young people about Aruban Labor Laws.
- We will develop policies that demand inclusivity in companies.

5

Upon receiving the youth manifesto, we will participate in Youth Town Halls every 6 months during our governing period with the Aruban youth to follow up and update them on action steps.
